SKILLS SUMMARY

- **Tools/Platforms:** MS Excel, Power BI, PowerPoint, SQL, Python
- **Power Skills:** Team Leadership, Analytical Thinking, Trailblazer, Time Management & Prioritization, Cognizant, Sanguine, Persistent

INTERNSHIP

Zorgers Home Healthcare Pvt. Ltd. | Mohali

Jun 2026 – Jul 2026

Business Analyst Intern

- **Audited 290+ leads over 7 months** to assess sales compliance, service quality and brand representation, identifying operational gaps and generating **22 qualified leads**
- Visualised key business KPIs using a Power BI predictive analytics **dashboard, tracking revenue, ARPU, customer count, churn, retention and LTV** to identify revenue and customer-value opportunities for business planning
- **Analysed 100+ sales calls** to identify communication gaps, recurring customer objections and effective sales practices, and **translated these insights into the call-flow structure for Zorgers' AI Call Agent**
- Leveraged **Market Basket Analysis and Association Rule Mining** to identify frequently purchased healthcare equipment combinations and recommend **bundling, cross-selling and upselling opportunities**
- Conducted **PAN-India market and competitor analysis** evaluating market potential, competitive presence and service gaps; **translated findings into 3 investor deck pages** to support expansion and scaling decisions

PROJECTS/ LIVE PROJECTS

Revenue Concentration, Product Mix & Retention

Jul 2026

- Quantified **revenue concentration** across 60K+ transactions, establishing Bikes as 96.5% of ₹29.36M sales to support product portfolio prioritization
- Surfaced **customer retention gaps** across 18K+ customers, with 62.9% one-time purchasers, supporting targeted **customer retention and lifecycle strategies**
- Segmented 295 products by revenue performance, classifying 66 as High, 58 as Mid and 6 as Low Performers to support **portfolio performance management**
- Benchmarked **YoY product performance** using CTEs, LAG() and window functions, surfacing growth/decline patterns against historical averages for **KPI and performance management**
- Tools: SQL Server | SQL | CTEs | Window Functions | Data Modelling

Project Delivery, Risk & Resource Analytics

May 2026

- Mapped **fragmented project-tracking data** across 15 projects and 189 tasks; **integrated project, task, milestone, cost and resource data** in Power BI to establish a centralized view of project health
- Diagnosed **effort and productivity gaps** through **DAX-based variance analysis**, flagging 76 overrun tasks with 2,127 excess hours and 11 critical blocked tasks
- Assessed **schedule and cost exposure** using milestone progress and budget variance analysis, uncovering **19 delayed milestones, 7 on-hold projects and a 95% complete project with a 7.9% cost overrun**
- Prioritized **delivery risks** by segmenting task criticality, milestone delays and cost deviations, translating findings into **resource allocation and delivery-prioritization insights**
- Tools: Power BI | DAX | Excel | Data Modelling | Variance Analysis | KPI Analysis | Risk Analysis

Customer Value Intelligence & Behavioral Segmentation

Mar 2026

- Analysed customer behaviour patterns across **200 mall customers**; conducted **EDA and statistical analysis** of age, annual income and spending score to identify purchasing behaviour
- Investigated customer targeting opportunities through **data visualisation and income-spending analysis**; identified patterns across **\$15K–\$140K in annual income** and **0–100 spending scores**
- Evaluated customer segmentation by assessing **10 cluster configurations (K = 1–10)** using the **Elbow Method and WCSS**, selecting **K = 5** for K-Means clustering
- Derived customer profiles from clustering results, identifying **5 income-spending segments** to inform **targeted marketing, promotions, product placement and customer retention**
- Tools: Python | Pandas | NumPy | Matplotlib | Seaborn | Scikit-learn | K-Means Clustering

Advanced Financial Analytics & Insights

Feb 2026

- Integrated 27,900+ financial transactions across 7 markets and 3 years, **consolidating account, territory, budget and FX data** into a centralized **financial data model**
- Calculated revenue, gross profit, EBITDA, net profit, margins and financial ratios using **DAX-based KPI analysis**, covering **3 years of financial performance**
- Compared **Actual vs Budget performance** across 7 markets, performing **variance and profitability analysis** across revenue, cost and financial KPIs
- Developed interactive **P&L, Balance Sheet, Cash Flow and SoCE reports** with drill-downs and **multi-currency reporting** to support management decision-making
- Tools: Power BI | DAX | Excel | Data Modelling | Variance Analysis

Predictive Customer Lifetime Value (CLV) Analytics

Oct 2025

- Processed 541,909 retail transactions; **filtered** 486,286 positive-quantity UK transactions covering **3,921 customers** after removing returns and cancellations
- Engineered purchase frequency, repeat rate, churn rate, Average Order Value and profit-based **CLV**; **estimated** customer lifetime value using a **5% profit margin assumption**
- Transformed six months of purchase history into a **3,921 × 6 customer-month matrix**; **computed** cumulative purchase value as the CLV modelling target
- Applied Multiple Linear Regression to monthly customer purchases; **achieved an R² of 0.967, MAE of 595.03 and RMSE of 1,454.01** on the test set
- Tools: Python | Pandas | NumPy | Matplotlib | Seaborn | Scikit-learn | Jupyter Notebook

CERTIFICATIONS/ CERTIFICATES

- Data analysis with Python | IBM May 2026
- Databases and SQL for Data Science with Python | IBM Apr 2026
- Excel Basics for Data Analysis | IBM Apr 2026

VOLUNTARY EXPERIENCES/ COMMUNITY DEVELOPMENT PROJECTS

Mission Power Skills Club | Vice President

Mar 2026 - Present

Programs & Operation Lead

- Coordinated and managed events with 100+ participants, overseeing participant coordination, group formation, execution, and on-ground operations
- Analysed LinkedIn performance and optimized content strategy, contributing to 1,000+ impressions through improved content planning and audience-focused posts
- Maintained documentation and records for events, activities, attendance, evaluations, and club operations
- Mentored and trained mentees through structured sessions and webinars focused on professional and communication skills

EXTRA-CURRICULAR ACTIVITIES/CO-CURRICULAR ACTIVITIES

- Achieved **1st place** in the North Indian Deadlift Championship Jan 2023
- Cleared the CA Foundation (ICAI) on the **1st attempt** Dec 2021

EDUCATION

- **Lovely Professional University** Phagwara, Punjab
Master of Business Administration – Business Analytics; CGPA: 8.72 Aug 2025 – Present
- **Hansraj College (University of Delhi)** Delhi
Bachelor of Commerce (Hons.); Percentage: 76.67 Jul 2020 – Apr 2023
- **D.A.V Public School, Chandrasekharpur** Bhubaneswar, Odisha
Intermediate; Percentage: 91.2 Apr 2019 – May 2020
